Keyboard
Platforms

Ergonomic options for efficient keyboarding.

Workplace ergonomics don't need to be an afterthought. Allsteel offers these four new keyboard platforms to make workstation personalization a whole lot easier. And that makes employees happier and more productive too.

Clamp Platform

Spring-loaded clamp holds keyboard securely in place and uses less space.

Mouse platform swivels and tilts independently, and accommodates right- or left-handed use.

Fabric-covered gel palm rest adjusts to meet individual needs and offers ergonomic keyboarding wrist support.

A single knob controls height and tilt adjustments.

Keyboard moves easily in and out with nylon glide suspension.

Circular cutout in arm manages keyboard and mouse cables.

Lift-to-Adjust Platform

Lift-to-adjust mechanism allows height adjustment without the use of knobs or levers.

Angle adjustment lever facilitates one-handed tilt adjustment.

Removable gel palm rest allows keyboard platform to adapt for Microsoft® Natural® keyboards.

Keyboard moves easily in and out with nylon glide suspension.

Swivel mouse platform accommodates right- or left-handed use.

Integrated mouse platform cord clip and mouse guard secures mouse to platform and manages cable.

Samba® K2

Dual-lever control for height and tilt facilitates easy one-handed adjustments.

Swivel/tilt mouse platform offers positioning at desired location and angle, and accommodates right- or left-handed use.

Fabric-covered gel palm rest provides ergonomic keyboarding and mousing wrist support.

Integrated mouse platform cord clip and mouse guard secures mouse to platform and manages cable.

Keyboard moves easily in and out with nylon glide suspension.

Samba® K2 STS

Sit-to-stand mechanism provides users 12" of height adjustment for different work positions throughout the day.

Extended arm length allows complete access to keyboard and mouse when mounted on any corner worksurface.

Dual-lever control for height and tilt facilitates easy one-handed adjustments.

Ball-bearing suspension provides smooth, long-lasting operation.

Fabric-covered gel palm rest provides ergonomic keyboarding and mousing wrist support.

Integrated mouse platform cord clip and mouse guard secures mouse to platform and manages cable.

Cover: Lift-to-adjust platform with palm rest in place.
